Re: Cottage Food statute amendments

Environmental Services department conducts Cottage Food Stakeholders/Public Meetings

Maricopa County Environmental Services Department is conducting public meetings to review amendments to the Cottage Food statute section A.R.S. § 36-136 of the Arizona Revised Statutes, and how the Department is proposing to address the amendments procedurally.

The Arizona Legislature amended section A.R.S. § 36-136 to allow residents to produce non-potentially hazardous baked and confectionary products in their home kitchens and to allow these items to be sold at permitted commercial sites within the State.

If you have questions regarding how A.R.S. § 36-136(H)(4)(g) and A.R.S. 36-136 (H)(4) amendments will affect your interaction with the Maricopa County Environmental Services Department, please attend the stakeholder/public meeting.
